

Adventures Too BIG To Pass Up

SeaWorld Orlando is the world's premier marine adventure park with more than 200 acres of up-close animal encounters, thrilling attractions and unforgettable performances immersing guests in the mysteries of the sea. State-of-the-art rides such as "Kraken®" and "Journey To Atlantis®" twist, turn, and drench guests with unprecedented thrills, while amazing animal encounters include killer whales, dolphins, sea lions, sharks and more.

Educational Courses at SeaWorld (All grades)

Skilled educators focus on the marine sciences, conservation, the environment and careers. Supplement your day at SeaWorld with an educational course led by one of our education experts. One and five hour courses available.

Animal Sleepovers at SeaWorld (Grades 3-12)

Explore SeaWorld after dark and join us for an overnight adventure. Pack your sleeping bag and snooze the night away with dolphins, manatees, penguins, beluga whales or polar bears.

SoundWaves, SeaWorld Orlando Performance Program

Feel the excitement as your students give the most memorable performances of their careers. Whether marching past Shamu® Stadium or performing at The Waterfront, SeaWorld offers some of the most unique venues in the world. Your group will have the opportunity to entertain thousands of guests during an experience they won't soon forget.

A Night of Celebration: Middle School Grad Nite

SeaWorld opens exclusively for graduating middle school students the night of May 2, 2008. Celebrate this milestone with awesome live entertainment, including hot DJ's throughout the park. Experience thrill rides under the stars and a fireworks finale during this safe, fun and alcohol and drug-free event.

Add a day to play at SeaWorld and /or Aquatica with any of the above suggested activities

Start planning for 2008!

Introducing Aquatica, Orlando's whimsical, one-of-a-kind waterpark that could only come from SeaWorld. From tube slides through playful dolphins to tranquil and rapid rivers, the fun here is as endless as the sea itself. OPENS SPRING 2008.
